Poster Presentations

Measuring and Evaluating the Effects of Signage on Off-Trail Walking in a University Forest, North Carolina
Brendan Adams, Katharine Conlon, Robert Sayre-McCord, Erin Crouse and Yu-Fai Leung (North Carolina State University)

An Update on the Georgia Statewide Comprehensive Outdoor Recreation Plan (SCORP) 2013-2018
Robyn E. Albritton and Gary T. Green (University of Georgia)

Visitor Perceptions and Motivations for Wildlife Tourism in Crystal River National Wildlife Refuge
Samantha Baraoidan and Taylor V. Stein (University of Florida)

A Preliminary Examination of Tourist's Perceptions of their Impacts on a Gateway Community in the Southern Appalachian Mountains
Aaron Breassealen, Katie Kennedy and Eric Frauman (Appalachian State University)

ATV safety practices in the Smokey Mountain Region
Sarabelle Carter, Andy R. Dotterweich and T. Jason Davis (East Tennessee State University)

An Experiment to Test Hierarchical Leisure Constraints among Medical Professionals
Heetae Cho¹, Dongoh "Eric" Joo¹ and Hyoung-Kil "H.K." Kang² (¹Clemson University, ²Southern Wesleyan University)

An Economic Framework for Assessing Management Policy Alternatives at Georgia State Parks
J. Wyatt Cothran¹, Lincoln R. Larson², Jason W. Whiting¹, J. M. Bowker³ and Gary T. Green¹ (¹University of Georgia, ²Cornell University, ³USDA Forest Service)

Public Perceptions of Wild Birds and Bird Feeding Activity
Shannon E. Curry, Sonia M. Hernandez and Gary T. Green (University of Georgia)

Impacts of a LEED-certified Building and Environmental Education Programming in Residence Halls
Jane B. Diener and Gary T. Green (University of Georgia)

Off the Deep End: Fishing in a Swimming Pool
Jessica Finnerty (Middle Tennessee State University)

Effects of an Art-based Environmental Education (EE) Program on Children's Drawings
Ami Flowers, Gary T. Green and John P. Carroll (University of Georgia)

Confidence Levels Performing Leave No Trace Principles Following Outdoor Education vs. Traditional Education Methods
Bryan Hoffman, Nina Kallmeyer and Sarah Banks (Coastal Carolina University)

Demographic and Usage Trends Over Time on a Linear Long-Distance Trail
Carolyn Huntley and Taylor Stein (University of Florida)

Fair Trade Tourism - Concepts, Motivations, and Projections
Dongoh "Eric" Joo¹, Heetae Cho¹ and Hyung-Kil "H.K." Kang² (¹Clemson University, ²Southern Wesleyan University)

Angler Awareness of Conservation Issues Affecting Freshwater Trout
Charles L. Jordan and Gary T. Green (University of Georgia)

Trout Angler Awareness of the Hemlock Woolly-Adelgid and its Effect on Trout Habitat and their Preference for Treatment Method
Matthew W. Knull and Neelam C. Poudyal (University of Georgia)

Suitable Site Selection of a Convenience Store in Great Smoky Mountains National Park

Yuchen Mao, Duarte B. Morais and Gene Brothers (North Carolina State University)

The Effect of Environment-based Tutoring on the Self-confidence, Self-efficacy, and Environmental Concern of Middle- and High-school Students

Lauren Mullenbach and Gary T. Green (University of Georgia)

GIS Based Approach to Identify and Map High Value Recreation Sites and Hiking Trails

Ramesh Paudyal (University of Georgia)

Utilizing Participatory Geographic Information Systems (GIS) to Locate Recreational Hot Spots in the Chattahoochee National Forest's Rock Creek Dispersed Recreation Area

James Rhynold, Gary T. Green and Nathan Nibbelink (University of Georgia)

Endangered Species on Private Lands: Can Money Buy Good Neighbors for Red Cockaded Woodpeckers?

Lauren K. Ward and Gary T. Green (University of Georgia)
